THOUGHTS FROM THE PARISH Community

Help us help you!

Over the forthcoming weeks and months it is possible that some in our communities may need to self-isolate and that accessing fresh provisions may become a problem to those unable to go out or do not do on-line ordering. We are fortunate to have local businesses and local people who are willing to help out in this situation.

Martinstown Village Store

From Monday, 30th March you can ring the speci ed number to order the below-listed produce and it will be delivered to you. The village shop can provide:

Eggs
Butter
Milk
Cheese
Bread
Fresh vegetables and fruit
Frozen ready meals
Bacon
Sausages

If you have to self-isolate ring your order through to 07985 189077 between 10 am and 11 am. It will be delivered to you and left on your doorstep. (You will be advised about what to do about payment.)

Keep an eye on the Martinstown Website, the 'I've Lived in Martinstown' Facebook page, The Brewers website and the church Facebook pages for updates and the possibility of a 'buddy' scheme.

The Brewers Arms

In light of the recent worries of the world we understand that some of you might feel safer tucked up in the comfort of your own home. Therefore we have designed a menu for local residents to have delivered to your door!

Just call us on 889361 to place your order! Why not add a 2 pint takeaway of our local beer too! Just ask for details.

Thank you for your support! Stay safe!

Vigil for refugees 5.45pm. St Martin's Church Martinstown

As millions of refugees gather trapped on the boarder of Syria and Turkey, we pray that they are not bombe and they can be left in peace to carry on developing their new city.

As others, sit waiting to be able to return or move on in many other host countries, we asked that they are treated with dignity.

Come and sit with us, as we read the identities of 10 people who have died on their journey and then sit quietly for 20mins honouring their names.

THANKYOU...

"I would just like to thank the very many people in Martinstown and beyond who provided so much support to me during this past month in helping to organise Terry's funeral, in the many willing offers to walk Charlie and the very kind words about Terry in their letters and cards of condolence. It has all helped tremendously."

COVID-19 (Coronavirus) update from **Portesham Surgery**

The situation is changing daily and we expect further changes to be announced by the government in the next few days so our best advice is:

• If you have access to the internet, check our website (www.porteshamsurgery.co.uk) for updates about arrangements at the Surgery (see also below)

• Check reputable sites such as NHS England's coronavirus page. Search for "NHS England coronavirus" or type into the address bar: www.nhs.uk/conditions/coronavirus-covid-19/

• If you don't have access to the internet, keep listening to reputable news broadcasts on television and radio.

• If you have symptoms of a new cough or fever, you should check these with NHS 111. If it is hard to get through on the phone, there is a very easy symptom checker online at:111.nhs.uk/covid-19. This takes you through the same questions as you would be asked by NHS 111 on the phone.

• If your symptoms suggest Coronavirus, NHS 111 will advise you to stay at home and self-isolate for a minimum of 7 days. Check the NHS England website for advice on how to self-isolate. If you feel seriously unwell at home or your condition worsens, call NHS 111 or speak to us for advice if you can't get through. Do not come to the surgery!

Arrangements at Portesham Surgery:

• We are moving all doctors' appointments to telephone consultations wherever possible. If you have an appointment booked please contact us to con rm if we can telephone you at the appointed time to save you coming to the surgery.

• We are moving all appointments (doctors and nurse/HCA) to the mornings.

• If patients have respiratory symptoms, we will ask you to check those symptoms on the NHS 111 online site given above. We can do this with you on the phone if you don't have internet access.

• If your symptoms do not suggest Coronavirus, call us for advice or an appointment. We will see all respiratory patients in special afternoon clinics. In this way we can protect vulnerable patients who still need to be seen by a GP or nurse.

• For the same reason we ask you to collect your prescriptions from the dispensary in the mornings before 1pm.

• Nurse and blood-clinics continue as normal at the moment, but in the mornings, again to protect you.

• If you prefer to cancel a non-urgent appointment, please remember to rebook it in due course.

Contacting Portesham Surgery:

• At this very busy time, please try to telephone us only with urgent medical queries. We only have 4 phone lines and if we are doing telephone consultations it will be harder to get through to us on the phone.

• You will be able to click on this from our website and start an "e-consultation" with one of our GPs by completing a simple questionnaire online. This is emailed to us and you will get a response within 48 hours from your GP or our medical secretaries, depending on your query. This will be especially useful for non-urgent medical or administrative queries if it is hard to get through to us on the phone.

• We are texting and emailing our patients with any urgent updates about arrangements at the Surgery. Please make sure we have your up to date details if we can contact you in this way.

In these dif cult times we need to help each other. For example could you help a vulnerable neighbour by collecting their medication so they don't have to come to the Surgery? If anyone has dif culty or worries, let us know and we will do our best to help.

Thank you – Alison Dunbar, Practice Manager, Portesham Surgery.

VALLEY CLUB/WI

Our next event will be our 25% discount evening at Poundbury Gardens on Monday April 6th. We will meet at the Garden Centre at 6.30pm where we will have tea/coffee and be given a short talk on new plants and products available. We will then be able to make our purchases with a 25% discount on everything we buy.

Our Valley Club/WI Outing this year will be on Wednesday May 20th to Exeter and Exmouth. We will visit Exeter where we will have free time to explore the city and get lunch, after which the coach will take us to Exmouth for a 90 minute cruise on the River Exe. The cost of this trip will be £24, which includes the coach, boat trip and driver's tip. We do have to con rm numbers by 20th April so please telephone Eileen (889584) to add your name to the list if you wish to join us on this trip. We will leave Martinstown at 9.00am and return at approx. 6.00pm.

At our AGM in March a fuchsia plug plant was given to all members to grow on and, hopefully, exhibit in the Garden & Craft Show on Sunday 16th August. If you did not receive a plug plant and would like one, please telephone Eileen. We had a record number of entries last year, so we hope you will all enter again this year in the special category for Valley Club Members.

THIS MONTH'S NEWS FRO

Martinstown Women's Institute

At our meeting in March we heard about endangered species around the world from Mrs Dawn Lawrence, who was speaking on behalf of the Born Free Foundation. These animals who are at risk range from tiny frogs to elephants and tigers. In many countries habitats are being destroyed and animals are hunted. In this country many species are declining, including hedeghogs. It is really important to preserve these creatures for future generations.

This year our joint outing with the Valley Club will be to Exeter with a boat trip on the River Exe to Exmouth on Wednesday, 20 May. Tickets are £24 and are available from Eileen Fisher 889584 or myself on 889628. (Please order before 1 May so that we can con rm numbers for the boat trip.)

Our next meeting will be our Annual Meeting on Wednesday, 8 April at 7 pm.

The MILEATERS out and about.

Mileaters brave the mud!

by Richard Benson

After weeks of rain and miserable weather the Mileaters were pleased to be able to don their walking gear again and set out for a 5.5 mile walk from the Hare and Hounds pub in Waytown, north of Bridport. The circular walk went towards Pymore where there once was a busy rope and hemp milling centre around the river Brit.

Mill workers cottages had been modernised and the small development was very tranquil and different to the time when several hundred mill workers worked there.

At times the going was very challenging and extremely muddy in places and navigating farm gates was treacherous as the mud came up to the top of your walking boots. However Mileaters are made of strong stuff and everyone completed the walk unscathed.

Although we were expecting strong winds and the odd shower we were slightly caught out by the hail storm that greeted us half way round.

As always the best bit of the walk was the pub lunch and the Hare and Hounds provided us with good food at a reasonable cost.

In these worrying and uncertain times people need to be considerate to others - if you feel that you can help someone who is self-isolating, please cut this out, ll it in and slip it under their door or through a letter box!

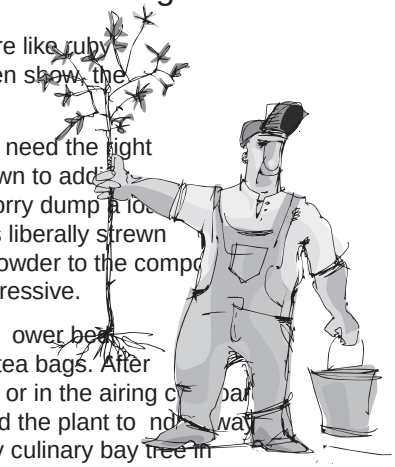
MARTINSTOWN

Garden and Craft Show

Sunday 16th August • Martinstown Village Hall



If your garlic is always pathetic and your rhubarb looks more like ruby chard, so that neither would be noticed in any village garden show, the answer probably lies in the soil.

Greedy plants appreciate regular feeding. In fact, all plants need the right growing medium in order to thrive and often this comes down to adding nutrients. Fortunately, it is no longer necessary to have a lorry dump a load of farm manure on the drive, because chicken manure pellets liberally strewn around will do a good job. Also, add blood, fish and bone powder to the compost every time you plant something, and the results will be impressive.

For your pots, containers and favourite tender plants in the flower bed, especially camelias and magnolias, give them a treat with tea bags. After making the tea, leave the bags to dry out on the windowsill or in the airing cupboard, tip the contents into a jar and sprinkle it onto the soil around the plant to encourage worms into the interior. It works wonders and it's free. I thought my culinary bay tree in a container had given up the ghost last year and now it looks pristine and ready to feature in the 'Four Different Herbs in a Jam-jar' exhibit at the Show, all thanks to regular feeding with tea.

Final tip: next time you go to a Garden Centre, pick up a bag of garden lime and leave it somewhere where you will notice it in the Autumn, ready to be raked into the vegetable plot. According to Rambling Syd Rumpo and young Bob Flowerdew, you should do this every four years.

Anne Tate

Seed Potatoes

It is time to collect your free seed potato for the greatest weight of potatoes grown in a bag. This year we are using International Kidney, a variety sold as Jersey Royals in the shops. It is a second early/early maincrop potato. If you wish to enter this category in the Garden and Craft Show please collect your potato (one per entry) from Sally Webb – Old Brewery House, Martinstown.

The Winterbourne Singers are a group that meets fortnightly to sing music of many different kinds, both sacred and secular. If you'd like to try us out, please come along to one of our Friday evening sessions. We meet in St. Martin's church from 7 to 8.15 p.m.

Singers are invited to donate £1 each session towards church overheads, but music is provided. It probably helps if you can read music a little, but that's certainly not essential.

Our rehearsals are currently CANCELLED - DUE TO THE ONGOING SITUATION
