THOUGHTS FROM THE ANGEL...

of St. Michaels Church

From the green church yard and painted walls of Winterbourne Steepleton this month's missive comes from St Michael.

Please feel free to imagine his fixed and stoic form writing this piece! He has seen the comings and goings of cowslips, wild garlic, the constantly running water of the winterbourne and probably the same genetic line of rooks that still keep parliament in the uppermost boughs above his and our church today.

He has seen vicars and church wardens, congregations, couples marrying, babies heads wetted and bodies being buried here, parliaments (more human this time) and politics coming and going on and on.

It's possible the recurrent floods ARE more novel and he probably bemoans OUR human actions creating climate changes as opposed to this being 'the British weather'. I'm guessing wing power is a very green option!

He will have enjoyed (although his face doesn't show this) gatherings of musicians each month, gardeners, cake makers and eaters, meditators, flower growers and arrangers who support and tend his special place which feels so sacred to so many. He will have noticed the active support and encouragement for the church to be open and welcome to villagers and other local people who are Steepletonophiles even if they don't attend on Sundays.

This year our stone angel has been the host of creative workshops and activities: Christmas angels, Dorset buttons, making of music and garden parties to share cake with him. Teresa (our soon to be incumbent ie new vicar) was excited to hear that we have a creative community and as the year progresses we look forward to you and her joining us to do Dorset feathery stitch workshops the painting and refreshing of the inside walls and people will come and be still for a moment or two of reflection and prayer.

If you'd like to see or do more we welcome you and all ideas.

So a bye bye to Dick at Martinstown and a hullo to Teresa and on on we go with St Michael watching on!

Ellie Sturrock - Winterbourne Steepleton Church warden

T H I S M O N T H ' S N E W S F R O M
Martinstown Women's Institute

At our meeting on 8th May we had a talk from Alison Bristo about Orangutans. The name means Man of the Forest and they are found in Malaysia, Borneo and Sumatra. They live in trees on a wide diet including fruit, leaves, ants and termites and are remarkably intelligent, knowing which medicinal leaves to use to cure various ailments and are able to use tools.

Their only predators are tigers and mankind – fires, pollution, logging, clearance of forest for palm oil plantations, hunting and the illegal pet trade are all affecting their numbers. Alison has firsthand experience as she regularly visits an orangutan rehabilitation sanctuary in Borneo.

On Thursday, 13th June there will be a tea party at 3 Hardy Close in aid of Julia's House. Tickets are £5 available from me on 889628.

We are looking forward to the outing to Rosemoor on 20th June. The coach is now full so please inform Lesley lpemby@hotmail.co.uk (889886) if you are not able to come as we now have a waiting list. Don't forget we will be leaving at 8.45 am prompt.

At our next meeting on Wednesday 12th June at 7 pm Nicholas Wiloughby will be speaking about "A Life of Fish and Ships".

Angela Barrett - Secretary

Lent Lunches 2024

Many thanks to all who supported the three Lent lunches held in the Village Hall in February and March. A special thanks to those members of the Home Group who donated the home-made soup and bread and provided teas and coffees. Thanks also to members of our community who attended the lunches. As a result of the generosity of all it has been possible to send £445 to support the work of the Weymouth Food Bank.

NEWS

JUNE 2024

In the past months I tried to encourage the Councillors to introduce themselves and set out their stall in the V+V, and interspaced these with hopefully neutral reports from the Chair on the issues we are dealing with. As I'm no longer Chair (there has been an election and as I draft the Council have not yet elected their new Chair) I felt that I could take the same opportunity that I gave to the others.

So, my perspective: Lesley and I moved here ten years ago after a lifetime "following the flag". The things that attracted us to the area then are the things that I would seek to protect in my role as Councillor.

I see the Parish as an entity, not subordinate to or to be enveloped by Dorchester or Poundbury, and actually quite distinct from Winterborne Abbas by virtue of not being on the A35. The Parish area is rural and primarily agricultural, and this brings problems to set alongside the many benefits.

Similarly, the Parish is a mix of new and old, both in terms of residents and buildings, and all must have a say. I do think that the Parish has room for development but within constraints – expansion outside current development boundaries should be exceptional, and future developments should focus on affordable* and/or starter* homes in order to encourage younger residents to help the Parish thrive. However, I will campaign against any new development until the sewage system can cope. However, when that is resolved I would welcome small* infill developments. Flooding relief is more challenging as to my mind it is a balance of costs, benefit, and fighting the inevitable. Note. *words have legal definitions.

In all issues and we must find compromises that work for the majority without impacting the Conservation Area or National Landscape (the new name for AONB). Reaching such

compromises requires a mix of Councillors to cover the many varied perspectives but sadly there was not an election for Councillors as insufficient candidates came forwards to merit one. On the bright side, that will save the PC money, but on the down-side it is sad that of the 604 electors on the register only 6 cared enough to stand.

Thomas Jefferson said "the Government you elect is the government you deserve" and all those who have chosen not to come forward are therefore party to the election of those who were, and are now subject to the whims, prejudices or foibles of those who were willing to stand. So, please bear this in mind when you disagree with the PC's support for a planning decision you oppose, or opposition to a pet project of your own; or when the PC isn't doing enough about the sewers, the state of the roads or indeed mud on or flooding of the roads.

Or when you see the unbridled spending of your Council on grounds, stream or other maintenance, benches, or trees, or indeed when you see yet another hike in the Parish precept to pay for these things that you disagree with or consider wasteful. You could have influenced this and might still through election or co-option...

The one constant will be the Clerk and Vicky remains the Council's first point of contact on clerk@winterbornestmartin-pc.gov.uk. We are moving towards paper publication of the minimum legally required documents with the majority being published on our website www.winterbornestmartin-pc.gov.uk/community/winterborne-st-martin-parish-council-18643/home/. And, if you are interested in what we are dealing with please visit the website and subscribe for updates.

Green Martinstown

Web: greenmartinstown.org.uk

Email: greenmartinstown@gmail.com

Events Diary

Open Meeting Friday June 14th, 6 - 7.30pm. Martinstown Village Hall.

Open to Members and Valley residents. Updates on activities, light refreshments and short interesting presentations on local natural history. A chance to meet up with members and the Core Group, ask questions, get involved in our projects and join our growing band of Greeners!

Bees, Bugs and Butterflies Saturday July 6th- from 10-12am. Village Hall.

A morning of activities for young people to learn about the importance and wonder of insects. Come along and make bug hotels to attract helpful insects into your garden. Children must be accompanied by a responsible person. Materials supplied. A donation would be appreciated.

Community Asset Transfer

The Application Form is with Dorset Council and we expect a reply in a few weeks. So far we have had one comment from villagers about this. If you do have any comments, suggestions or questions please email or use the box in the village shop. Don't forget to buy something while you are there.

Playground hedge

The young trees have suffered over the winter and several have had to be replaced. Once the fence is removed please take care not to damage the young trees so that eventually they will form a fine hedge.

Water quality

GM is working with Citizen Science to monitor the stream from Winterbourne Abbas to West Stafford in 6 locations every month. The results are fed back to Wessex Water as part of an effort to lower sewage discharges.

Travel by Bus

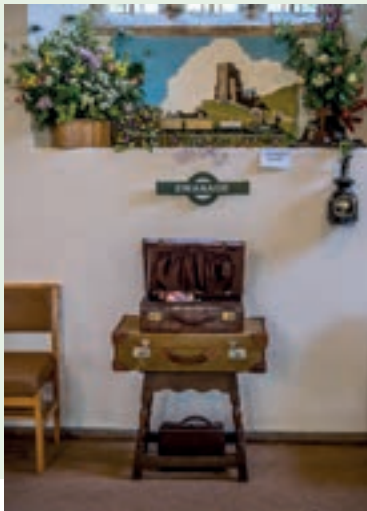

Many thanks to Dorset Action Transport Group and in particular Les. They have worked really hard and got First Bus to reinstate the X51 bus service. This means we can now catch a bus to Dorchester, Weymouth, Bridport, or Axminster. There are up to 6 buses a day. The service is a trial run up to September. If it is not used we are likely to lose it again.

Gardening Eco Tips - Cut your carbon in the garden.

Here are some reminders that will help make better choices for the planet when you buy plants

- 1. Use peat-free compost.**
 - 2. Read the label. Was it grown in the British Isles or imported? Imported plants carry a greater risk of introducing pests and diseases.**
 - 3. What is the pot made of? Is it plastic or something biodegradable?**
 - 4. How long will it last? Is it worth buying annuals or perennials which last longer?**
 - 5. Is it good for insects? Choose plants with simple flowers - ones without lots of petals. They are more likely to attract bees and butterflies.**
-

The Martinstown Flower Festival 2024

The Martinstown WI display...

Three ladies under the supervision of Julie set to and created a masterpiece floral display for the Flower festival in our lovely church.

Not a normal coffee break... this is the WI you know, so Bucks Fizz it had to be. Back to work.

With the weather being so glorious ,lunch was outside on the village green . Then Julie had us back to the job. The finish article was a real treasure and I hope many people went to view the floral displays as they were all wonderful.

2024 is a special year for the villages of Portesham and Abbotsbury. A year ago plans were put in place to recognise and celebrate that 1000 years ago in 1024 King Canute (Cnut) wrote a charter giving the area known as Porteshamme to his manservant Orc. This original charter is stored in Dorset History Centre and a copy is to be displayed on the village green in Portesham. This is the first written record that defines the area now known as Portesham. Abbotsbury will also celebrate its Millennium this year however, the written record has been lost.

There is evidence of humans inhabiting this area since Neolithic times but this document is the first written record.

To mark this important milestone both villages will hold a number of events throughout the year and some have already taken place. Villagers are entering into the spirit and celebrating in a variety of ways. Bunting made by residents showing the logo designed by an experienced local resident is already in place. Flags are to come and many of us now own a teshirt or mug with the logo emblazoned on the front. A Millennium garden is being constructed in the village and a calender of events in both villages is on display in Portesham village hall. June, July and August will be the time of a series of events where we hope good weather will shine on us. Our Anglo Saxon village sign is already in place on the Green opposite the pub with more to come.

June planned events in Portesham & Abbotsbury where all are welcome are:

- 1. Open Gardens Sun 9th June Abbotsbury**
- 2. Festival of landscape painting 9-14 June Abbotsbury**
- 3. Open Gardens Sat & Sun 15/16 June 2 - 5pm. Portesham. Entrance £5 to cover both days. Teas in Village Hall**
- 4. Historic walk around Portesham 2pm village green. £2**
- 5. Flamenco & Paella evening 29 June Portesham village hall. Doors & bar open 6pm Tickets £18, essential to book call Jan 01305 250212 or www.ticketsource.co.uk then enter Portesham**
- 6. Flower festival Portesham St Peters Church 29 June - 6 July. Entrance free or email maadp24@gmail.com for more details.**

July events will include a Motor show in Kings Arms gardens, Portesham. Flower festival St Nicholas Church Abbotsbury, Fayre through the Ages Portesham school field. Entrance free to all events.

For full opening times, go to Dorsetartweeks.co.uk or download the app.

Flower Joy Ceramics - venue 116

Makes decorative ceramic homewares celebrating the beauty and fragility of nature. Made from porcelain paper clay imprinted with seasonal flowers and plants.

1 Higher Dairy Farm, Compton Valance

John A Graham - venue 133

John's oil paintings are displayed in the wonderful Ashton Farm Barn. Subjects include landscapes, animals, shells, hands, flowers, and more.

Ashton Farm Barn, Ashton Farm, Martinstown

BURROW

Septic Tank Owners: register your interest in a fully-funded upgrade to a treatment plant.

Due to the Phosphate pollution in your local river catchment we are operating a septic tank replacement scheme using private funding.

We install wastewater treatment plants that remove almost all pollutants, with funding secured from planning applicants who need to create a positive impact on the environment.

Register on our website today.
