THOUGHTS FROM THE DESK of...

a parishioner

For some people September is a time for beginnings. There will be members of our community who will attend school for the first time in their lives. Those a little older may be starting at a new school. For yet others a new school year will begin without their attendance as they go on to higher education or enter the world of work. Even for some of the more mature members of society there may be new challenges to face this month.

The churches in the benefice of the Winterbournes and Compton Valence will be welcoming a new vicar. The official welcome will take the form of a service known as the 'Installation' of the new incumbent. This service will be held in St Martin's church in Martinstown at 7.00 pm on Wednesday 4 September. The new team vicar, Revd. Teresa Stewart-Sykes will be asked to declare her willingness to undertake the duties required of her in the office to which she is appointed. Teresa is joining us from Dorchester-on-Thames where she has been responsible for five village churches, but previously held the post of an assistant priest in Dorset's Dorchester. Although she will be taking up a new challenge, she will be working in an area of which she already has some knowledge.

During the last year during the period of the 'Vacancy' oversight of the benefice has been undertaken by the team rector Revd. Keith Magee and both he and curate Heidi Merrett have conducted services regularly. The PCCs of the benefice parishes have also been grateful to several retired priests and lay preachers who have ensured that there has always been someone to lead worship in our churches. Within the parishes there have been many members who have contributed a variety of skills for which many thanks are due. In the weeks ahead there may be changes as we look forward to furthering the mission of the church which Christ encouraged all believers to engage in. We look forward to welcoming Teresa, and her husband Jon, among us and to her presence and her ministry in both our parishes.

DORCHESTER BRANCH

Established over 100 years ago in 1921, the County Town Branch thrived for many decades but falling membership numbers over recent years meant the branch became largely inactive.

However, we're now "back in business", holding regular branch meetings and events and rebuilding our membership numbers.

Your support will help secure the future of the branch and ensure we continue to be here to support our local, armed forces beneficiaries. So if you've been thinking of becoming a RBL member, why not do it now or come and join us at:

Branch Meetings: Next meeting dates 3rd October and 14th November 2024 at 7pm at **The Dorford Centre, Bridport Road, Dorchester, DT1 1RR**

Meet and Greet Socials: Held on the 2nd Tuesday of the month at 11am (next meeting 10th September) at **The Junction Hotel, Great Western Road, Dorchester, DT1 1UF**

For more information contact Carol Lewis at:

INSPIRING WOMEN

THIS MONTH'S NEWS FROM Martinstown Women's Institute

Despite the forecast it was a lovely sunny afternoon for our annual Summer Party and for a change we had a barbecue this year, with Roelie Newman expertly in charge of the charcoal kettle drum.

Of course it wouldn't be a party without games and these had a broadly WI-style 'Olympic' theme of competitive shove-a-coin and wellie wanging, followed by a quiz.

While all this was underway, many photo's of our past outings and adventures were shown on a big screen, thanks to the Village Hall's new AV system. This was quite inspiring, especially because it was clearly evidenced that, over the years, we haven't changed a bit!

For our September meeting, author Peter Tate, retired GP and surgeon, will be telling us about his experiences in the medical world.

Anne Tate - President

Update from myself Cllr David Hutchings. Having been on the council for over a year now, I think I have got to grips with being a councillor. I have taken on the following roles: Budget Committee, Staffing Committee, Reading Room working group and most recently the role of Vice Chair, Being part of the Budget committee involves us meeting separately to the full council meeting. We then draft the budget around Oct – Nov time and after a few headaches, corrections, and much needed glass of something. It would be presented to the full council to debate and allow them to question the thinking behind our thoughts. This also includes deciding the precept for the following year. The main costs for the council are the Clerks wages, stream clearance and grass cutting. This is accessible under finance on the Council Website.

Change of Venue and day of meeting:

The Council has decided to change the Venue back to the Manga Room at Manor Grove. The facilities are warmer with a toilet. This will also mean the meetings are held on the 4th Wednesday of the month. The next meeting scheduled for the 25th of September 19:00.

The Bus Service:

A plea from Cllr Scarth. Please try and use the bus service where possible. The end of the trial is fast approaching, and it would be a shame to lose it. (On a personal note, for me it would be a major shame with 3 children fast approaching

the age where they need lifts to and from town).

The Reading Room:

At the last meeting, the Council have voted in favour of exploring the option of letting the Reading Room out. This could include but not limited to a studio, workshop, storage, etc. If anyone has any questions initially, please contact the Clerk.

Neighbourhood Watch:

According to Neighbourhood Watch UK the village has not at present got a scheme set up. The Council is looking for interest in setting up a Neighbourhood Watch scheme for the Village. Anyone who may be interested please contact the Clerk.

Councillors:

We are still 3 spaces short on the council so if anyone knows anyone who may be interested, please give them a nudge and contact the Clerk or look on our website for more information. With the meeting venue and day change please have a think if your free on the 4th Wednesday of the month. Most of the behind the scenes work that a councillor would undertake can be undertaken at a time when suitable. Answering emails etc. Any decisions are made at the full council meeting with a Motion and a Vote in favour or against.

Cllr David Hutchings

Martinstown Village Hall Annual Meeting.

The Annual Meeting of Martinstown Village Hall will be held on **Monday, 2nd September at 7:00 pm**. All hall users and residents of Martinstown and the Valley are most welcome to attend.

Green Martinstown

Web: greenmartinstown.org.uk

Email: greenmartinstown@gmail.com

Beetles, Bees and Butterflies We were delighted to welcome 18 children and their grown ups to our recent fun and educational insect morning at Martinstown Village Hall. It was a privilege to be joined by CBBC presenter Naomi Wilkinson, who shared ideas for encouraging insects and other creatures into our gardens and outside spaces.

There was singing, insect-themed art & craft activities, and home-made bug-shaped biscuits. Colin Tracy showed a series of beautiful photos taken in his own garden of different caterpillars and insects.

Outside in the hall garden, children used hula hoops to select a seemingly empty patch of grass and explore it carefully with a magnifying glass.

Finally, the children were invited to create their very own wooden insect hotels to take home. They filled them with materials such as twigs, leaves, bamboo canes and corrugated card, ideal for hosting solitary bees and other insects. Written by Charlotte Beare

Soil: Foundation of Life - Supper Evening with Soil Scientist Mark Kibblewhite, 12th October 2024

We are excited that Professor Mark Kibblewhite, one of Europe's leading soil scientists and an Emeritus Professor at Cranfield University will be joining us for an evening at Martinstown

Village Hall. If you want to make better informed consumer choices, learn how best to care for your own garden, or simply wish to find out more about the importance of soil to the planet, this event will be for you! Tickets available at the Village Shop

Dorset Greener Homes 14th/15th and 21st/22nd September 2024

Dorset Climate Action Network (DCAN) will once again be hosting Dorset Greener Homes. There will be about 40 homes open to the public where the owners have changed their homes to make them warmer, greener and cheaper to run. Changes such as heat pumps, solar panels or batteries but may well be cheaper innovative ways to insulate the home or to save water. In Martinstown, 17 St Martinsfield will be open 21st 2.00- 4.30pm and 22nd 10.30 - 1.00pm. For details of all the homes open see: www.dorsetcan.org/greener_homes

Community Asset Transfer

We have received feedback from the Council on our application for transfer of land north of St. Martinsfield and the church, and as expected will be amending it in line with their comments.

This is a normal part of the process and further updates will follow.

Dorchester Poverty Action Annual Open meeting

"Magna Support Services - protecting our vulnerable customers"

Speaker - Ian Wood, Specialist Services Manager for Sheltered & Support Services at Magna

on **Tuesday 1st October at 7pm**

in the **Dorford Centre**

Everyone welcome

For more information about the work of **Dorchester Poverty Action** go to www.dorchesterpovertyaction.org.uk

PLEASE COME JOIN US ON SAT 31ST AUGUST - IT'S GOING TO BE NOISY!

The month of August brings not one but two 100th birthday celebrations for the veteran Squadron Leader Ken Symonds AFM of Martinstown.

The first a "quiet celebration" at home and the second a celebration to take place on the village green on Saturday 31 August commencing at 13:00.

Prior to 13:00 our bellringers will accompany the setting up by performing a quarter peal for Ken, led by Howard Bowering.

Ken liked to take a deckchair & fish & chips to the village green to watch the world go by. One day he commented that it would be lovely to listen to a silver band whilst there, & so the seed was sown for his 100th Birthday.

The Dorchester Durnovaria Silver will arrive to play three sets of approx 40 mins each from 13:15 so please bring a deckchair or rug and join us.

The green is a public space and this is NOT a private event. Sit alone if you prefer, sit with your family & friends, we won't mind, but please come along and listen, dance if you wish!

Ken was in the RAF from 1942 to 1982, starting as a Flight Engineer in WW2 flying Lancasters, later Vulcans, Nimrod's, in fact trialling & testing over 30 different planes. He also lectured in flight engineering, quite a RAF career.

Ken is a member of the Association of Air Engineers, & some members he taught will be making long journeys to share the day with him. In acknowledgement of his service & milestone birthday, the Battle of Britain Memorial Flight Lancaster will make a low pass over the village if weather allows.

It's timings have changed a couple of times, we are now looking between 14:15 -14:45.

We would like villagers & friends to stand & form the letter E as a thank you, as it passes over. The roar of 4 Merlin Engines is going to make some noise, villagers & pets be prepared!

Sqn Ldr Jim Stokes is the Lancasters Flight Engineer for this flight, a fellow association member. My sincere thanks to him, his crew & "Moose" the associations chair for helping me make this happen.

Should it rain on the day, the band will perform in the village hall, please still join us, we can dash out to the Green from there to form the "E" for the Lancaster crew to see.

Should the inevitable occur & Ken sadly departs for the "blue skies", his orders are to put his photo on a deckchair with a glass of whiskey, EAT THE CAKE & CARRY ON without him.

If you would like to pre order fish & chips to be brought to the Green please ring/text/whatsapp me before the evening of Wednesday 28th.

Just your presence is required, no presents please.

Valley Club News

The Summer Celebration back on the 15th July was a chance for members to get together over Pimms, hotdogs, strawberries and cream and over 45 people grabbed that chance and had a great time chatting, mingling and enjoying the music. It was all great fun and many members said we should create similar opportunities in the future.

Looking forward, on September 16th at 7.45pm there's gardening talk. I can't help but notice that those members and guests who were at the February meeting have been sniggering, tittering and chortling on and off about it ever since. So I'm very glad that "Gardening Folklore - The Next

Instalment" will be presented that evening by The Gardens Group MD Mike Burke, who'll continue his curious, raucous and very entertaining journey through the tips and practices passed down by the green-fingered far and wide to us.

News from your local community Police Officer...

Over the last few months we have had several reports from members of the public who have received calls from persons purporting to be Police Officers.

The supposed Police Officers give their name, a collar number (they have called it a badge number on occasion), a Police Station, will say something about your bank account being compromised, you can help catch them and will then ask for your bank details, talk about transferring it to a safe account or ask you to withdraw some money and a Police Officer will collect it.

The persons will try and rush you into a decision, they will say this is urgent and it needs to be done now and it can't wait.

ALL OF THIS IS A SCAM!

Every time you answer the phone be it a landline

or mobile, unless you know the caller please...

STOP! THINK! TAKE 5 MINUTES!

The Police will never ask you to do anything like this, nor will the bank or other organisations.

Never rush into anything you have been asked of by someone phoning you.

Please put the phone down and speak with a family member, neighbour or a person you trust.

You can also call the Police on either 101 (non-emergency), 999 (emergency) or online via **Do It Online: www.dorset.police.uk/do-it-online**

Below are some links with information about how to keep safe online and different scams you may see or hear about.

Get Safe Online www.getsafeonline.org/privacy-policy

The **MILEATERS** out and about...

...by Linda Scotts and Sue Shephard

It was a gloomy, drizzly morning. A group of 11 walkers were due to set out for a 5 1/2 mile walk around Sydling St Nicholas. But one couple had failed to appear on time and a decision was taken to go without them. We parked in the pretty village of Sydling and made the long, slow ascent up to the Ridge. Suddenly two small figures appeared far below. Our lost walkers had caught up and found us. Quite a feat as they didnt know the walk. They had overslept and good manners prevents us from naming them. Our full complement reached the beautiful long stretch of

the Ridge with far reaching views which even the weather could not spoil. A coffee break near the famous Turning Point crossroads of five ancient tracks set us thinking of all those who have passed through over millenia. A pleasant ramble back downhill past fields of standing barley and wildflower meadows eventually brought us back to Sydling. A short drive to the comforts of the Saxon Arms and delicious lunch. Linda led and Sue at rear shut the gates - quite a lot of them.

Good teamwork!

The bus service trial is coming to an end...

As you are aware, the present trial of running the X51 Bus Service back through Winterbourne Steepleton, North Rew, South Rew, Martinstown and Mallards Green is being carried out during this summer's timetable period, May to September 2024: but this is only on a trial basis, full reinstatement being dependant on passenger numbers during the trial period.

This trial was achieved by you residents, along with your friends and families, contacting First Bus by post and email to request the trial: WELL DONE!!!

We all now need to go through a similar process to both say thank you to First Bus for carrying out the trial and to tell them how this has affected you, your friends, family, neighbours, etc.

Peter McNaughton's contact details are:
Operations Manager, Somerset & Dorset.
First Wessex, Bus Depot, Edward Street,
Weymouth, Dorset DT4 7DP

Peter.McNaughton@firstbus.co.uk

Separate communications from each person living at the same address, including children, would be extremely helpful and please forward this on to anyone you know, residents or visitors, who use the bus and would be willing to support this attempt to get the X51 bus service permanently reinstated.

So the amount of correspondence sent to Peter McNaughton can be gauged, please either let me know you have contacted him or simply copy me in with your email: my email address is below.

Thanking you in anticipation of your assistance.

Kind regards,

Les Scarth

BURROW

Septic Tank Owners: register your interest in a fully-funded upgrade to a treatment plant.

Due to the Phosphate pollution in your local river catchment we are operating a septic tank replacement scheme using private funding.

We install wastewater treatment plants that remove almost all pollutants, with funding secured from planning applicants who need to create a positive impact on the environment.

Register on our website today.
